Dear Director Dave Grabow,

On behalf of the entire staff at America's Second Harvest of the Big Bend (ASHBB) and the hungry men, women, and children we serve, we would like to express our heartfelt thanks to the Harley Davidson Tallahassee HOGs for holding a food drive for ASHBB. Without the generous support of local businesses and organizations like yours, we could not continue to reach out to and help the growing number of people in need each year.

Thank you for your donation of **111 pounds** of food, valued at \$175.38, collected through your food drive. The food that you collected will soon be distributed to hungry people in the ten counties that we serve in the Big Bend area. We hope you will share this letter and our gratitude with each person involved in this highly appreciated drive! Thank you again for helping to fight hunger and feed hope in our communities.

Sincerely,
